

Abundant Life Living Hope International Missions

Thank you for your initial interest in sponsorship. The information provided below will help in explaining how the Sponsorship Programme works.

Once you have made a donation to sponsor a child, you will receive:

- 1 A welcome letter, including a photograph and background information of the child you have sponsored.
- 2 A letter from your sponsored child at least twice yearly.

CHILD & SPONSOR COMMUNICATION

The child will be told the name(s) of their sponsor(s) and will be encouraged to write to them. Sponsors are also encouraged to write to their sponsored child. Your address *will not* be given to the child. Please, therefore, do not include your address on letters sent to your sponsored child.

Donations received will be acknowledged. Please, therefore, let us know if your contact information changes. Your contribution will cover the direct cost of food, clothing and education for your sponsored child.

GIFT AID

Gift Aid is a mechanism which allows tax to be reclaimed from the Inland Revenue on charity donations made by UK tax payers. It is extremely important for you to review the Gift Aid Section when completing the sponsorship forms. If you pay tax, this declaration allows ALLHIM to claim 25p from the Inland Revenue for every £1 you donate. For further information on Gift Aid, please visit www.direct.gov.uk. Every contribution to the work of the charity, however large or small, helps us care for some of Uganda's most vulnerable children.

CHILD SPONSORSHIP PROGRAMME

Thank you for taking time to read this form and for helping us give hope to orphaned and abandoned children in Uganda.
