## CHRISTMAS 2018

**FOR UNTO US A CHILD IS BORN, TO US A SON IS GIVEN; AND THE GOVERNMENT SHALL BE UPON HIS SHOULDER, AND HIS NAME SHALL BE CALLED WONDERFUL COUNSELLOR, MIGHTY GOD, EVERLASTING FATHER, PRINCE OF PEACE (ISAIAH 9:6)**

---

The Christmas season is here and so many of us are getting excited about everything that Christmas brings. Christmas in Uganda is often very different from our own in the UK, but for the last ten years, your generosity has enabled a Christmas plate of food to be provided through ALLHIM charity to those children and families who previously would not have had such a meal. Through this simple act so many children and adults we have been supporting are content and able to celebrate with us the coming of “the Wonderful Counsellor ... Prince of Peace” (Isaiah 9:6).

As we celebrate Christmas, let us also celebrate the ongoing work of ALLHIM in Uganda and the way in which this helps those in need to be able to celebrate with us.

---

### **MOTHER JANET SCHOOL AND ORPHANAGE**

For many years, pupils in Primary 7 have had to travel from Mother Janet School to other venues to sit their Primary Leaving Exams (PLEs). Thanks to your support via ALLHIM, the development and expansion of the hall/dining hall has been completed and provides a spacious area that can accommodate children sitting the National Examinations. This year, Mother Janet School was approved as an Examination Centre by the Uganda National Examination Board. This was a real blessing to Mother Janet Primary 7 pupils as the environment for their PLEs was comfortable and familiar to them. We pray that once again, as in previous years these pupils will be successful and gain places in Secondary education.

## MICHEAL AND HIS TEAM OF VOLUNTEERS AT ACYP CONTINUE TO UNDERTAKE TREMENDOUS WORK IN MUKOKO AND THE SURROUNDING VILLAGES

The distribution of pigs to poor families continues to be a very important part of the work, enabling these families to gain an income which can be used to access medical treatment and other basic needs.

Provision of food to malnourished HIV and AIDS infected children helps the medication to work more effectively and improves their quality of life considerably. Thank you so much.

The distribution of seeds within the poorest communities continues to be a very important part of the work of ACYP. Thanks to your support, the fight against hunger continues to be more and more successful and some of the families are also able to provide for others in their locality from the surplus they reap. You are making such a difference – thank you!

Providing chickens to poor families in very remote areas helps greatly in the fight against malnutrition. The regular supply of free eggs is a real blessing to those in most need – thank you for your ongoing support through ALLHIM and ACYP.

### CHRISTMAS GIFTS

We want to thank those who have donated funds for a plate of food for Christmas. This will help to make Christmas special to the children and the very poor families in Uganda. Also, a very big thank you to the sponsors who have given a Christmas gift for their sponsored children. We thank God for your continued support and for the huge difference this is making to the lives of those we work with in Uganda. At this time, when we celebrate Christmas with our friends and family, please pray for:

- Provision of mosquito nets for 210 orphans – a preventative measure that protects and helps to avoid ill health.
- Good health for those in Uganda.
- Provision for secondary school construction – the first two blocks have already been constructed and work is ongoing.

Your support is appreciated so much by our friends in Uganda and the impact you are making on the lives of those in greatest need is considerable. Many, many thanks.

On behalf of ALLHIM Charity, a Happy Christmas to you and your family. May God bless you for your continued support.
